

Interpretive Exhibits is a full-service custom design and fabrication exhibit house in Salem, Oregon. In talking with prospects and clients, we find that many (most!) don't really know all that we can do. If you need any of the following, we can help!

Tradeshows/Exhibits

- In-house custom design and fabrication
- Dealer for both Classic Exhibits and Nimlok Exhibits
- Orbus and Optima Graphics

Overhead hanging banners, banner stands, tradeshow accessories and more: see our online catalogue: <http://exhibitors-handbook.com/>

Large-scale digital graphics

'Green' substrates available include:

- Fiberstone, Bioflex banner, post-consumer heavy duty cardboard
- Foamcell Green PVC
- Biodegradable foam board

Our internal experts and our access to great partners allow us to help with:

- Conferences
- Corporate events
- Event branding
- Internal communications
- Road shows
- Face-to-face marketing
- Custom built-ins
- Backdrops for sales presentations
- Recruitment fairs
- Field marketing

Social media tradeshow marketing: use Twitter, Facebook, YouTube, LinkedIn and more to close more business at tradeshows. We can help you engage your market by listening to and evaluating their social media conversations, and move into promoting your tradeshow appearances via Social Media platforms with:

- Contests
- Video
- Audio
- Photography
- Blogging
- Developing SM Strategy
